SRI RAMACHANDRA
MEDICAL COLLEGE AND RESEARCH INSTITUTE
(Deemed To Be University)
Accredited by NAAC with 'A' Grade
Porur, Chennai – 600116

Sri Ramachandra Medical College and Research Institute was established by Sri Ramachandra Educational and Health Trust in the year 1985 as a private non-profit, self-financing Institution dedicated to serve the society as a Centre of Excellence with emphasis on Medical Education, Research and Healthcare. In view of its academic excellence, the Government of India declared, Sri Ramachandra Medical College & Research Institute as a Deemed to be University in September, 1994 under Section 3 of the University Grants Commission Act, 1956. The Trust achieved the task of establishing this institution as a “Centre of Excellence” under the leadership of Late Shri. N.P.V. Ramasamy Udayar who was the Founder & Managing Trustee of the Trust and also the first Chancellor of the Deemed University. Shri.V.R. Venkataachalam is currently the Chancellor of the Deemed University and also the Managing Trustee of the Trust.

The objective of the Institution is to have the facility raised and developed to a level comparable to any major medical establishment in advanced countries. With this goal in mind, the Trust has, in close co-operation of, and the able guidance from professional experts in administration and teaching, developed this sprawling 150 acres of green campus to the level of a prestigious University today. Further milestones were reached and on April 1, 1997 when an inter-institutional alliance between Harvard Medical International, USA and Sri Ramachandra Medical College and Research Institute was signed. This major step in the growth of the Institution has further led the Institution towards quality in the areas of Medical Education, Health Care and Research and enhanced its visibility and recognition at the International level.

Harvard Medical International, in its annual report 2007, had stated that “Sri Ramachandra is the model of a learning Institution in both its Medical school and Hospitals. They have pursued faculty development with great rigor, and in the Hospital are striving to be a quality leader in India. The Institution stands out because of its commitment to taking care of all”.

Sri Ramachandra Medical College and Research Institute is among the very few Medical Institutes in India which have been sanctioned 250 seats in MBBS Degree course by the Medical Council of India from the academic year 2011-12.

ACCREDITATION:

Sri Ramachandra Deemed University has been accredited (cycle-2) by National Assessment and Accreditation Council (NAAC) with CGPA of 3.62 on four point scale at 'A' Grade.

The Clinical Laboratory is NABL accredited and the Blood Bank is accredited by the American Association of Blood Banks (AABB).

The CEFT is GLP certified. The first Medical University in India to get the GLP certification from DST, Govt. of India.

UNESCO Chair in Bioethics has been established at the Deemed University.

CONSTITUENT UNITS:

The following are the constituent units of Sri Ramachandra Medical College and Research Institute (Deemed to be University)

1. **Sri Ramachandra Medical College and Research Institute**
2. **Sri Ramachandra Dental College and Hospital**
3. **Sri Ramachandra College of Pharmacy**
4. **Sri Ramachandra College of Nursing**
5. **Sri Ramachandra College of Physiotherapy**
6. **Sri Ramachandra College of Allied Health Sciences**
7. **Sri Ramachandra College of Management**
8. **Sri Ramachandra College of Biomedical Sciences, Technology and Research**
9. **Sri Ramachandra College of Public Health**

The Deemed to be University offers, at present, 22 Degree courses at undergraduate level in medical, dental, para-medical and allied health sciences disciplines and 44 courses in Medical, 8 courses in Dentistry and 32 para-medical Degree courses at postgraduate level through the above units. In all, 6,500 students receive teaching and training within the campus.

LIBRARY:

A centrally air-conditioned large Library, known as Sri Ramachandra Central Learning Centre is ideally located in an area of 40,000 sq.ft. The students and faculty gain free access to a large collection of Medical and related books and journals gathered over a period of 33 years which provide rich study and reference material. The Library has a good stock of audio and video-cassettes on various subjects and facilities for microfiche access. The "e-Learning Resource Centre" with 48 new updated systems and Wi-Fi facility with access to Medlars,

Internet and CD-ROM facilities. It is an excellent learning centre in which a huge collection of models of anatomical interest are also exhibited for the benefit of the students and faculty. Apart from this, book bank services are also available for the students. In addition to hard copies, around 1,000 journals are also available online at the active learning centre through “ProQuest & MEDLARS”, where unlimited access is available to the students.

HOSTELS:

There are separate hostel facilities for both men and women students with 3,500 single rooms inside the campus to accommodate undergraduate and postgraduate students in medical and other disciplines. The campus has continuous running soft water supply and power supply.

SRI RAMACHANDRA HOSPITAL:

Sri Ramachandra Hospital is a major Tertiary care and referral centre located within the University campus. The Hospital caters to the needs of the students for their learning and training in various specialities. Placed in a suburban locality and amidst major highways, the hospital serves a cross section of the community belonging to every economic segment of the society. On an average 5,000 patients visit the out-patient facility everyday. The diagnostic capability available at the hospital is comparable to any University Hospital in any advanced country. The sophisticated clinical laboratory, AABB accredited blood bank and a wide range of imaging facilities including C.T. Scan, MRI, Multi Detector Slice Spiral CT, Cardiac Angiography, Cerebral Angiography and Gamma Camera add to the diagnostic armamentarium of the Hospital.

The Neurology Laboratory, Pulmonology Laboratory, Non-invasive and invasive Cardiac Laboratories have all been developed to the current state-of-the-art level. The most modern operation theatres, ICU and Critical Care beds add to this unique facility. The students have unlimited opportunities to learn in this modern hospital. Similarly, specialities have grown in the last 33 years in every facet of medical advancement. The Cardio Vascular & Thoracic Surgery programs have already reached a significant level of perfection as also the other major divisions like Vascular Surgery, Neuro Surgery, Interventional Neuro Radiology, Critical Care Medicine, Reproductive Medicine and Transplantation services.

Clinical Skills Labs in several departments like Orthopaedics, General Surgery, Obstetrics and Gynaecology, ENT provide opportunities for postgraduate students to acquire the much sought after practical skills in complex surgical procedures.

CENTRAL RESEARCH FACILITY:

Sri Ramachandra Medical College and Research Institute (Deemed to be University) has established the Central Research Facility (CRF) in the year 2007 as the “A to Z gateway” for research, to take care of all logistics of research planning, research projects administration, research documentation, providing centralized sophisticated equipment facility and University-Industry Liaison Centre with IPR/Patents Cell on a ‘ready to use platform’ to the entire University.

The ‘Research Vision’ of Sri Ramachandra Medical College and Research Institute (Deemed to be University) is to evolve the University as an “International Centre of Excellence in Translational Medical Education & Research and Biomedical Nanotechnology”.
