Unique at Acharya is the Proctorial system which enables a comfortable learning process. The designated Proctors (teachers) help proctees (students) in coping up with studies and dealing with day to day life on campus. From keeping a track on the academic progress of the student to guide them through any personal and psychological difficulties, the process also provides for communication to parents on their children's performance.

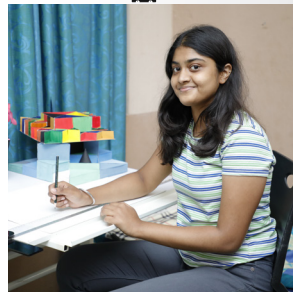

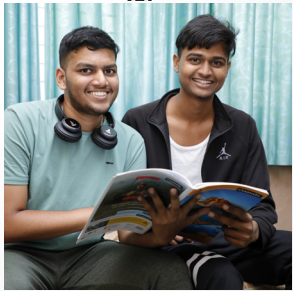

# HOSTELS

## Your Home for a Holistic Mind & Body

Accommodation plays a pivotal role in a student's academic learning and we take all necessary measures to ensure all essential needs of the student are met.

Acharya offers residences with multiple sharing options, and are provided with state of art kitchens that meet the highest hygiene standards. Laundromat, maintenance, housekeeping are provided by the residence caretakers to ensure the students have all the time to focus on their primary responsibilities.

The Housing Facility is crafted in a way to guarantee a holistic development of the student with the right combination of care, discipline, and privacy under the supervision of a warden.

## CLUBS: GIVING A NEW DEFINITION TO GROWTH

No holistic development is complete without the active involvement of club activities in student life. The exposure to such activities has taken the growth of students to a new frontier. Acharya has established several clubs across all its conglomerate institutions to aid to this development. These clubs vary from nature clubs to psychology clubs to dance clubs to cine clubs and much more. Students on campus actively take part in these clubs and conduct events to engage students in various activities. The effort of the nature watch club through tree plantation, seed bombing, vermi composting, rain water harvesting, etc., has been recognised by AICTE with the award for the second best green campus. iCare has been actively undertaking CSR activities, from helping improve quality of life in villages to visiting old age homes and orphanages spreading smiles, the i-Care group of Acharya is one of the most socially active clubs in the city. Clubs in Acharya are aplenty and their undertaking, a list too long. Here are a few clubs that are part of Acharya:

# ACHARYA HABBA

Learning is at its best when done with fun, it brings together a multidisciplinary educational institute like Acharya offering on a single platform. ACHARYA HABBA. Originating from the Kannada word, 'Habba' simply means a festival. It is a month-long spring festival that is one epitome moment where the students and faculty of all the 10 institutions intersect, perform and compete in diverse recreational and educational events. A spectrum of cultural, educational, literary, and miscellaneous shows and competitions set on the backdrop of a single motive: Acharya Habba is an extensively student-driven event, providing on-field exposure from planning to execution. It helps students learn various aspects of management, from volunteering to leading teams. The event ensures hands on learning experience in every aspect.

Acharya Habba is one of the biggest campus festivals which attracts thousands of students to Acharya. From celebrity performances to cricket leagues, to a display of distinct ethnic cultures, Acharya is a culmination of happiness, bonding and diversity on a single platform.

*A Camaraderie Between  
Acharya and Acharyans at its Best!*

# INDUSTRY INTERFACE

Acharya's academic and professional association with some of the world's top-notch industries and corporates and its presence in the vicinity of Acharya is the icing on the cake. Acharya solid binding MOUs with corporates like Infosys, Wipro, Mahindra, SASKEN Technologies, etc accelerates the process of knowledge transfer, technical training, and imbibes leadership skills in the students resulting in placements.

Industry exposure is key to learning in the contemporary world. To reinforce the students' learning journey to meet the deepening demand for practical knowledge and experience, Acharya Institutes has been on a treadmill effort at participating in standard tech-competitions organized by eminent industries. Our endearing participation is reflected in the numerous recognitions and awards Acharya has brought home.

# ACHARYA'S TECHNOLOGY BUSINESS INCUBATOR

Academics is the gate to the door of industrial exposure. Acharya's Technology Incubator facilitates the establishment and growth of technology-based startup companies and other compatible technology interventions to ensure our students' wholesome learning experience.

**Startups** are the animate evidence for a resourceful tomorrow. The Business Incubator provides an end-to-end cutting-edge ecosystem that sets the road to facilitate the creation of new and emerging technology ventures. The incubator renders necessary infrastructure, financial support, business advisory, mentoring, legal assistance, product development, networking, commercialization, protecting intellectual properties, insurance, and tax administration resulting in strategic alliances.

The undivided attention of faculty in the technology-driven start-ups ensures binding communication between education and industry through reinforcing teaching and research.
